Station Madras. *Dated the* 26th March 1928.

From (Name) F.A. Hamilton, Esquire,

(Designation) Inspector-General of Police.

To The Chief Secretary to the Government of Madras,

Judicial Department.

through the Accountant-General, Madras.

Sir,

Reference:- G.O. No. Mis. 684, Law (General) Department, dated 24th February 1928.

With reference to the Government Order quoted above, I have the honour to request Government to sanction a further expenditure of Rs.7-1-0 incurred in connection with the defence of M.R.Ry. Rao Bahadur K. Nilakantan Nayar, Inspector of Police, South Kanara district, in the circumstances mentioned below.

2. According to the decree of the District Munsiff of Mangalore a sum of Rs.91-4-0 was recoverable as costs from the plaintiff. But, as he was living in the jurisdiction of the

the District Munsiff of Karkal, the decree had to be transferred to the latter Court for execution, and an expenditure of Rs.7-1-0 as detailed in the margin was incurred on that account. The amount actually realised from the plaintiff was Rs.93-9-0, which apparently included the cost of transfer.

	Rs	A	P
Cost of transfer at Mangalore.	2	8	0.
Expenses at the Court of the District Munsiff at Karkal.	4	9	0.
	7	1	0.

Deducting the expenditure of Rs.7-1-0 mentioned above, the balance of Rs.86-8-0 will be credited to Government. The correct procedure should have been to credit to Government the full amount realised in the case, and to draw the charges separately, but the Vakils who appeared for the Inspector retained the amounts due to them, and sent the balance to the District Superintendent of Police and so the correct procedure could not be followed. The Vakil's letter and the statement of cost furnished by him are enclosed for reference and favour of return.

In the circumstances, I recommend that the additional expenditure of Rs.7-1-0 in the case may be sanctioned. This amount will not be drawn from the Treasury as it has been taken in abatement of receipts.

I have the honour to be,

Sir,

Your most obedient servant,
